## Combination

(pump and blower location only)

## Airbath System II

## Airbath System III

N/A

### INSTALLATION TIPS

- Install according to Owner's Manual and local codes.
- Access panel for whirlpool and Airbath® systems included with the Atlas.
- Hot water supply should be 65-75% of tub capacity or greater.
- Always consult your local plumber for recommendations as installations will vary.
- The combination of multiple systems and options may require components to stick out and/or be remotely installed in the field.
